At this time, there is only (1) AJ 141 (832pc) course built and is set to be presented in January 2022 and is an 11-day course. The current schedule starts on January 6, 2002 and runs to January 22, 2022. The hours of presentation are Thursday, Friday & Saturday (0800 -1700hrs) and 2 Sundays (8 hours)

I know there has been interest for this course to be presented in the Summer / Fall semester, however with the corrections academy being presented during that time, we lack the resources / locations at this time.
