## INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM (IGETC)

Completion of ALL of the requirements in the Intersegmental General Education Transfer Curriculum (IGETC) will permit a student to transfer from a community college to a campus in either the California State University (CSU) or University of California (UC) system without the need, after transfer, to take additional lower-division general education courses to satisfy campus general education requirements. Approved for Northern Arizona University (NAU) Liberal Studies (General Education) Requirements (37 Units to include Speech Course) - May 5, 2003.

NOTE: Revelle and Eleanor Roosevelt Colleges at UCSD will NOT accept IGETC alone (Revelle has IGETC+). IGETC is also not recommended for some high unit majors. See a Counselor!

NOTE: California Private/Independent Colleges and Universities **MAY** accept IGETC. Check the college catalog, website and/or contact your institution of choice and ask if they will accept IGETC in satisfaction of their general education degree pattern.

**The course requirements for ALL AREAS must be completed before the IGETC can be certified. All courses must be completed with grades of "C" or better.**

**Certification is not automatic.** Students must request certification from IVC's Admissions Office. Completed general education courses will be reflected on this form and attached to each transcript sent to the appropriate 4-year institution.
