## Associated Student Government

The Student Activities/Governance Program is an essential and fundamental part of the college's educational mission. As the center of college community life, it serves as a laboratory of citizenship, training students in social responsibility and for leadership in our democracy. Through its various committees and staff, it provides a cultural, social and recreational program aiming to make free-time activity a cooperative factor with study in education.

In all its processes it encourages self-directed activity, giving maximum opportunity for self-realization and for growth in individual social competency and group effectiveness. Its goal is the development of the total person as well as stimulating the intellect. Student Activities/Governance Program serves as a unifying force in the life of the college, cultivating enduring regard for and loyalty of the college.

The ASG is looking forward to a positive year, with high quality education, with a beautiful campus and activities to keep our atmosphere moving and fun all year long!

I encourage you to get involved, join in and have fun in the many leadership and club opportunities we have available.

There is something for everyone; the intent of all these programs is to make your college life welcoming and fun! There are endless opportunities for you to grow and also start your own club.

The ASG will work to make activities productive, exciting and fun while providing a strong social, recreational and cultural atmosphere. So, all students at any given time can participate in school events.

Together with the ASG, I plan to promote and increase the amount of school spirit and support for music, athletic and educational activities.

I have made wonderful friends, amazing learning experiences when representing and traveling for IVC, and so many incredible memories to last me a lifetime. This can be part of your life, I would like you to experience IVC college life as I have.

Make sure to check out our clubs and campus activities. Don't be shy; Make a difference on campus-get involved!

Respectfully,
