**Objective Status: Not Started**

1072 Create Student activity Plans

Create Student activity Plan for students attending other colleges and monitor progress. The plan will list the courses taken for that semester they are attending. Will need to verify that they are meeting the participation hours required. Some are also employed. The CalWORKs participants that come through Assessment will be provided with a vocational Assessment Evaluation. This includes their Reading and Math levels. In addition, the Strong Interest Inventory results will continue to be included in their Evaluation.
