THE TEACHING AND LEARNING CENTER (TLC) IS OFFICIALLY OPEN FOR SPRING 2018!

For years, IVC faculty have struggled with classroom issues, changing pedagogy, and new initiatives without support. The Teaching and Learning Center's goal is to provide a space for faculty to help faculty. We are better together!

The TLC is a place for faculty to attend or host:

| professional development events | technology trainings | collaborative brainstorming sessions | team meetings |

Our professional development team will be holding and hosting events for all teaching faculty throughout the spring semester. Mark your calendars, and we hope to see you there!

See our spring schedule on the back!

Find us in room 3700:
