Licensed day care provider programs in Spanish, should be provided at IVC.

An extension of high school, no positive in the community, gives kids the impress they are not succeeding. A gentleman disagreed; he said they are committed to IVC for step to 4-year college.

People who are successful graduates of IVC needs to be showed how they succeeded.

IVC not a good stepping-stone for 4-year college.

Nursing program is great & we have some good instructors.

They need to see successful people in the community who are graduates of IVC.
