San Pasqual Notes
October 15, 2003

Recorder:  Becky Green
Transcriber:  Kathy Verwer

- IVC has made efforts to reach out.
- Enabling students to receive good jobs.

Collaboration between IVC and high schools.
- Would like to see expansion online.
- Teachers can travel to sites
- More vocational choices.  (Vocational pathway)
- IVC is reaching out well.
- IVC is too far away.
- Glad that IVC is networking with the community.
- Bus – Long distance learning.
- Problems getting classes.
- Would suggest but distance is an issue.
- Need to make it easier for youth.
- Should offer fun classes.
- A bridge between high school and college.
- Give motivation early.
- Need expansion (curriculum).
- External campus (Winterhaven).
- Success “continues”at IVC!
- Distance
- Reaching out to the community.
- Size.
- Access to courses
  Articulation.
  Better equipment.
- Would like to see a large tech. Center.
- Quality upper level courses.
- More core courses.
- Wider range of courses.
- Dormitories.
- More challenges.
- Upward Bound offered (San Pasqual).
- Speech Therapist
- Psychologist
- Put in a campus!
- Three-dimensional art courses.
