

# Highlights

*The Trustees of the ICSVEBA understand the importance of keeping members informed of plan updates and changes and are excited to provide you with this month's Highlights newsletter to keep you informed of essential plan information. Please see the updates and "highlights" below and contact your Human Resources Department with any questions!*

- **Dependent Social Security Request:** The

Affordable care Act, also known as health care reform, requires all district within ICSVEBA to collect Social Security Numbers of each person enrolled in our medical plan – and that includes your covered dependents. We need to report this information to the Internal Revenue Service in order to comply with health care reform law. Please make sure you include the S.S.N. (as well as name and address) for all your covered dependents when completing your benefit elections this year.

- **"Back-to-School" Benefit Education Meetings are Just Around the Corner:** Back-to-School meetings will be held this summer where you will be educated about the changes to the plan designs and rates for this coming year. All employees are highly encouraged to attend your meetings! Please see your HR professional for details on times and locations.
- **Change of ICSVEBA Board Members:** In this month's Board Meeting, both Ruben Castro and Krystal Zinn announced their resignation from the ICSVEBA Board as they both are embarking on new opportunities in their carriers. The Board thanks Mr. Castro and Ms. Zinn for their years of valuable service and wishes them both well in their new endeavors.
