

Highlights

The Trustees of the ICSVEBA understand the importance of keeping members informed of plan updates and changes and are excited to provide you with this month's Highlights newsletter to keep you informed of essential plan information. Please see the updates and "highlights" below and contact your Human Resources Department with any questions!

- **ICSVEBA Service Center:** VEBA would like to remind you of a dedicated telephonic service center for members to help with almost any service needs that you may have. This service center is available from 7:00 a.m. to 5:30 p.m. PST, Monday through Friday. You can reach the Service Center by dialing (800) 633-2683, or via email at icsvebaservice@hubinternational.com

- **ICSVEBA Website:** Your ICSVEBA website (www.icsveba.org) offers an array of valuable information on your health and welfare plans. As always, please consult the website should you have any questions!
- **It's Flu Season – Remember to Get Your Flu Shot!:** What an exciting time of year! The holidays are beginning to embrace us and the festivities are underway when who shows up? The flu. Yes, along with all the events and family time, holiday season also means flu season. As an ICSVEBA member, you and your covered dependents are able to receive flu shots under your medical plan. Just visit any one of the contracted Express Scripts retail pharmacies in your area to receive your flu shot for a \$0 copay.
- **SIMNSA** is offering for "first time enrollees" a reimbursement of \$60 to help you pay for your SENTRI Pass (the medical fast pass that's similar to a carpool lane and allows members to pass over the border much more quickly)! First time enrollees need to seek reimbursement prior to the next open enrollment period. Remember that the SENTRI Pass is something that you'll need to apply for and, while anyone can apply, the SENTRI Pass system is designed for 'low risk' people. People with any penalties, violations, convictions, or pending law enforcement investigations may not be considered for the SENTRI Pass program. To apply for your SENTRI Pass, please go online to <https://goes-app.cbp.dhs.gov/>; to get your \$60 reimbursement from SIMNSA, simply fax a copy of your receipt and a copy of your pass to Rachel Aguilar at (619) 407-4087.
