Please see the updates and "highlights" below and contact your Human Resources Department with any questions!*

**Changes to ICSVEBA Board:** Last week we learned of another board member change due to the resignation of employment with Imperial Valley College. Effective November 15th, Management representative, Dr. Sean Larry tendered his ICSVEBA Board position. We thank Dr. Larry for his service and wish him well in his new pursuit. Management will be looking to fill his position on the Board at the January Board meeting.

- Dependent Social Security Request:** As reported in our last ICSVEBA Highlights, the Affordable Care Act, also known as health care reform, requires all districts within ICSVEBA to collect Social Security Numbers of each person enrolled in our medical plan – and that includes your covered dependents. We need to report this information to the Internal Revenue Service in order to comply with health care reform law. Please make sure you include the S.S.N. (as well as name and address) for all your covered dependents when completing your benefit elections this year. This will be our last formal notice, so if you haven't yet done so, please do so at your first opportunity.
- Satori Additional VEBA Incentive:** We would like to remind all ICSVEBA members and their dependents that they can choose to have surgery at no cost through Satori World Medical. Other than receiving \$500 spending money from Satori, you may now be eligible for an **additional** \$100 per day (max. of 17 days and may be taxable to the member) while you are out of the country.
- ICSVEBA Service Center:** VEBA would like to remind you of your dedicated telephonic service center for you and your dependents to get help with almost any service needs that you may have. The service center is available from 7:00 a.m. to 5:30 p.m. PST, Monday through Friday. You can reach the Service Center by dialing (800) 633-2683, or via email at [icsvebaservice@hubinternational.com](mailto:icsvebaservice@hubinternational.com).
