

STUDENT LEADERSHIP AMBASSADOR PROGRAM

The Student Leadership Ambassador Program provides opportunities for Imperial Valley College students interested in developing their leadership effectiveness while building stronger connections between IVC, future students, and the community at-large. IVC's Student Ambassadors assist and volunteer with the College's development events and enhance the welcoming of new students to the Imperial Valley College community. Additionally, Student Ambassadors serve as the face of IVC at a number of community relation events.

IVC's Leadership Ambassadors will be trained in **The Student Leadership Challenge**, a proven leadership training that has over 35 years of data and development behind it. Student Ambassadors will be required to attend one hour of training a week, which will include self-evaluation, peer to peer interaction, guest speakers and leadership theory discussions. It will be educational, soul searching and, most of all, FUN!!

The Student Leadership Challenge is a new addition to the Student Ambassador program. It is the first of its kind in the Valley and IVC.

It will become the premier program at IVC.

In addition to the Leadership Challenge, duties of the Ambassadors include:
