SPRING 25 CSU ADMISSION APPLICATION “HOW TO”

Students will walk step by step through each section of the CSU Admission Application and receive helpful tips on completing the application accurately. This is a great workshop for students who want to complete the application on their own but have a few questions.

SPRING 25 ADMISSION APPLICATION WORKSHOP

SDSU IV and other CSU's will be accepting admission applications for the Spring 25 term during August 2024. Please check “Is Your Campus Still Accepting Applications” on Cal State Apply for a complete list of campuses accepting Spring 25 admissions. Sign up in advance of the workshop in order to qualify for a comprehensive transfer review. Drop-ins may attend on a space available basis but will not receive a transfer eligibility review.

SPRING 25 CSU ADMISSION APPLICATION SUBMIT NOW

Student may pre-register or drop in. Application review and assistance will be provided but a comprehensive academic transfer review will not be available.

UC TAG/UC TAP AND CSU TSP WORKSHOP

Students need to pre-register, but the workshop is an open lab format and students may come in any time during the workshop hours. UC Students will be able to create or update UC TAP accounts and complete the first step of a UC TAG eligibility evaluation in preparation for the Fall 2025 TAG application period in September 2024. CSU TSP students can create or update an existing CSU Transfer Planner account in preparation for the TSP contract period in August/September 2024.
